Christine--

I don't know who Susan Furnish and Barry Thomas are and am not sure why they would

have been invited to this meeting. The CZARA leads in NOAA which I provided earlier are below:

margaret.davidson@noaa.gov (scheduler rachelle.matthews@noaa.gov)--Acting Director, Office of Ocean and Coastal Resource Mngt

joelle.gore@noaa.gov (cc me so I can make sure Joelle see's the email)--Acting Division Chief, Coastal Programs Division

Thanks!

Allison

Allison, I checked with our front office. They apparently invited Susan Furnish and Thomas Barry or Barry Thomas. I have let them know to invite Joelle Gore and Margaret Davidson. Could you send me their e-mails and phones so I can forward to our front office?

Thanks.

Only Call

Jayne et al.--

I see that there is a meeting with the Gov scheduled for May 1st. I wasn't aware of this meeting. Has OCRM leadership (Joelle Gore and Margaret Davidson) been invited? I didn't see it on Joelle's calendar. Its important that NOAA is part of this meeting. Given the late afternoon time, may be difficult for us east coasters to call in then. Please make sure we find a time that works for both NOAA and EPA folks. Looks like we still need to find a pre-Gov meeting time with ODEQ/DLCD staff too?

Thanks,

Allison
